

## Long Life Farm Share

### 2013 SHAREHOLDER AGREEMENT FORM

I would like to join the Long Life Farm Share and receive fresh vegetables throughout the growing season. I understand that my investment in the farm share will give me a variety of vegetables that are grown organically and locally by Laura and Don.

**Long Life Farm Share:** (approximately 20 weeks, Jun – Oct)

All shares are the same size. You can decide if you want to pick up every week or every other week. We find that if stored properly many of our vegetables will still be fresh well into the second week.

\_\_\_\_\_ \$310 10 weeks delivered every other week

\_\_\_\_\_ \$620 20 weeks delivered every week

\_\_\_\_\_ \$300 20 weeks delivered every week (2 available) - this option is available for limited income families who want to eat nutritious food. The farmers and other shareholders will subsidize these shares. \$15 per week every week for 20 weeks.

Please submit application, no deposit due. Will you be using SNAP benefits? \_\_\_Y\_\_\_N

I can only accept SNAP at the Ashland market at this time.

\$\_\_\_\_\_ Shareholder donation: the farm is looking for \$600 to subsidize two shares

\$\_\_\_\_\_ Total Amount

\$\_\_\_\_\_ Deposit (\$185 10 wk, \$375 20 wk) If you can afford to pay all at once this is appreciated as most of the expense of buying seeds, soil and supplies occurs in January.

\$\_\_\_\_\_ 2012 Shareholder discount (Welcome back! Please deduct \$10 for 10wk, \$20 for 20wk)

\$\_\_\_\_\_ Balance Due by June 1, 2013

Make checks payable to Long Life Farm. Mail application and deposit to the address below.

**Pick Up Day for all Share Options:** (Please select 1<sup>st</sup> and 2<sup>nd</sup> choice)

\_\_\_\_\_ Saturday: 9am–1pm at 125 Front St, Ashland, MA, Ashland Farmers’ Market

\_\_\_\_\_ Tuesday: 2pm–7pm at 205 Winter St, Hopkinton, MA

\_\_\_\_\_ Friday: 2pm–7pm at 205 Winter St, Hopkinton, MA

\_\_\_\_\_ I prefer a pick up site on T or F closer to downtown Hopkinton.

\_\_\_\_\_ I am willing to have multiple shares dropped off at my home for myself and other shareholders to pick up.

We hope to accommodate everyone’s first choice, however please know that all shares are on a first come first serve basis. Ideally we need half of the shares harvested on Tuesday and the other half on Friday/Saturday so that the harvest is picked when it is ready.

**Pick Ups:** Please select one day for the entire season. If for some reason you can’t make a day, you may have someone else pick up your share for you. If you can not pick up your share in a given week, please let us know by the day before your normal pick up day and we will plan accordingly. We donate food to both the Hopkinton and Ashland Food Pantry. All produce will be bagged with your name label on it. Please bring the bag back when you pick up the following week. If you do not return the bags, your share will be packed in a grocery bag. Based upon shareholder feedback, we will have a “extras” table or cooler at Winter Street. If there is something in the share that you don’t want, you may leave it for another share holder and take a comparable item in it’s place. We will confirm your pick up start date by the end of May.

I agree to all above options I have selected including; farm share and pick-ups. I understand that my farmers will do their best to insure a successful crop, but that there is always a risk of crop failure.
